

2011 DIVING in French Polynesia

TAHITI

Tahiti offers great best scuba diving conditions for beginners as well as advanced divers...
 Tahiti is the ideal location to become use to new gear and build confidence before traveling
 in the outer islands. It is also known for its excellent CMAS & PADI trainings.
 Come & discover the wilderness of the Peninsula, meet turtles, giant wrasses, sharks,
 even humpback whales (from July to October), right outside Papeete...
 You might be surprised when discovering the colorful underwater landscape as well as the numerous
